Judges Judges' decisions are final. Once the dog comes to the line, the judge has complete control over dogs and handlers. Judges shall have the authority to disqualify a dog that is not present within (5) minutes after it has been called to run by the judges. A person may not agree with a judges' decision, but he/she cannot confront the judge, other than to politely ask why the dog did not qualify. Any rudeness on the part of the handler is subject to disciplinary action. Judges are not obligated to discuss scores with the handlers, but if they elect to do so, such discussions shall be held only after completion of the test. A handler can complain to the Hunting Test Committee and write to the AKC, but he/she should not confront the judge. The Hunting Test Committee will take action regarding such situations at the conclusion of the stake.

SAFETY All handlers, gunners, marshalls, judges and galley participants for all test levels will be required to wear an upper outer article of blaze orange. Eye protection is strongly recommended for all handlers, judges and gunners in master and Senior Hunting Tests. Hearing protection is strongly recommended in all tests.
